POST CARD

Since ⁵⁰ Sullie does not want
to go to Dayton yet, I think
after all it would be
better for me to go back
on the R.T. & see if I
do get in there later.

Wed afternoon I shall start
for New York, unless I tell you
otherwise. See Mr. Wood & Duland

are coming over to see me this
afternoon. I am just preparing
to make some tape. I would like
to stay a month, because there
are so many things I should
like to do. Had quite a talk with
my old school friends in N.Y. &c.
